

**YOUR CO-OP AT**

# GESSNER ENGINEERING

## **THE EXPERIENCE**

We are powered by a technically diverse group of problem solvers; providing Structural, Civil, and Geotechnical Engineering, Land Surveying, and Construction Materials Testing. We work in a team driven environment where professionals of diverse engineering disciplines utilize each other to produce high quality projects not achievable by working alone. Interns coordinate with other disciplines and all team members to find the best solution for our clients. Company issued Razor scooters and an the in office punching bag encourage lifestyle fitness.

**STRUCTURAL & CIVIL ENGINEERS • FALL 2016 • HOURLY COMPENSATION • BONUS ELIGIBLE • PAID HOUSING**
