

For Fall 2016:

CEE 498WT3/WT4: Water Technology & Policy

Instructor: Dr. Ashlynn Stillwell

Department of Civil and Environmental Engineering
University of Illinois at Urbana-Champaign

Class meets 8:00-9:20 AM Tuesdays and Thursdays in 2312 Newmark

3-credit and 4-credit* sections

(*Additional writing assignments and oral briefing required for 4-credit students.)

Course topics include:

- Water and civilization
- Hydrology
- Water law and economics
- Water infrastructure
- Water and wastewater treatment
- Water and energy
- Water and food
- Water and sustainability

Communication is an important element of this course: **students will learn to “speak” technology and policy** via writing assignments, multimedia presentation, and briefings.

Questions? Contact Dr. Stillwell at ashlynn@illinois.edu, 2521 Hydrosystems.
